

“The IISE green belt training is much more comprehensive than most, covering practical key concepts and examples of various projects. Also, the material is communicated in plain, simple English. A week after taking the exam, I have started working on an improvement project. I highly recommend this training.”

— **Travis Wakefield**
Optical Coating Engineer, Thorlabs Inc.

The IISE Virtual, On-Demand Lean Six Sigma Green Belt ... Set Yourself Apart – Get the Best Job Offer

The sky's the limit in today's job market – but how do you get noticed and make sure to get the best salary for all your hard work? The IISE Lean Six Sigma Green Belt. It's top-notch training and top notch instruction. To get an edge, you must stand out to employers.

Why IISE Training?

- Learn to apply the two most powerful business improvement tools, (Lean and Six Sigma) to create better processes, eliminate process waste, and build a more engaged workforce. Learn to lead a Lean Six Sigma improvement project with tools like DMAIC, 5S, Control Charts, Pareto Charts, and Root Cause Analysis.
- Instructors with years of experience. Learn from those who have applied theory to reality.
- Course fee covers IISE Lean Six Sigma Green Belt Exam.
- Third-party accreditation by The International Association for Continuing Education and Training – your CEUs are backed by their originator
- Virtual, online on-demand training – Learn at your own pace, anytime, any day

**This Online, On-Demand course has special pricing for students.
